All submitted papers undergo a double-blind peer-review process. Please submit your papers using our conference submission system at <https://easychair.org/my/conference?conf=wisp2021>. All submissions should be in Microsoft Word using the workshop template only, with no author names or other identification in the manuscript file, including document properties, and tracked changes (blind the submission, please). Please use the WISP2021 style for your paper and references. All authors should be prepared to review 1-2 other papers. Completed research and case study papers should be limited to 15 pages, excluding appendices. Research-in-progress papers should be limited to eight pages, excluding appendices. Panel proposals should be limited to three pages. Final camera-ready manuscripts of accepted submissions should include author names, email, and affiliation. Questions about submissions should be emailed to smho@fsu.edu or obi.ogbanufe@unt.edu with WISP2021 in the subject line. WISP is a supportive and collegial workshop and encourages doctoral students to submit their research. Notable papers authored (or co-authored) by Ph.D. students may be nominated for awards. High-quality review feedback is one of the hallmarks of this workshop, and top reviews are also recognized.
